Photo/Video Release - Videos taken of our performances are posted online at the website, OceanGroveInTheSummer.com. This allows the participants in our cast, and their families, to watch the shows after the program has ended, and brings back memories of summer days spent acting, singing and dancing. We would like to do the video project again this summer, but each year we have to ask everyone's permission. So that's why we're asking for a signature giving us photo and video permission. (Please note - names are not included in any online presentations.) Please feel free to talk to us if you have any questions. Thank you.

I give my permission for photographs and videos taken of this summer's play rehearsals and performances to be presented online at OceanGroveInTheSummer.com.
