

“Instruments of Praise”

This 57th Annual Choir Festival will be an opportunity to experience the power and majesty of our Lord sung in songs both new and familiar.

This years' list of talented conductors includes:

Dr. Jason C. Tramm, Dr. Cindy Bell, Dr. Charles Prestinari, Lewis Daniels, Kynan Johns, Dr. Gordon Turk, Michael Sanflippo and Shea Velloso.

This thrilling combination of over 1000 singers, grand brass, and our famous organ will surely be a memorable event!

There is no charge for registration or admission; however an offering will be received. Participants **MUST** provide their own music. Music will not be available at the festival. Singers lacking music will not be admitted.

For your convenience all the anthems are in stock at Young's Music Store, 283 5th St., Whitehall, PA 18052. Phone (800) 628-6204.

Individual purchasers may obtain packets containing a complete set of anthems from Young's at the following prices which include discount and shipping costs:

1 packet	\$25.00
2 packets	\$43.75
3 packets	\$62.50
4 or more,	phone Young's for cost.

PA residents please add 6% sales tax. **Packets will be shipped mid to late April.**

If you are using anthems from your files or other sources, please check the names of the publishers and voicing, see the reverse side. Other versions create confusion and inhibit performance.

It is essential that the anthems be learned thoroughly before attending the one combined rehearsal at 2 P.M. sharp. Since only ten minutes are allotted to prepare each anthem, there is not time to teach notes. Please give the conductors respectful attention by concentrating on making good music and avoiding distracting conversation.

In several areas, choirs join together to rehearse the festival music. Rehearsals of the Ocean Grove Auditorium Choir are open to everyone.

REHEARSAL SCHEDULE

Approximately half the anthems will be learned at each rehearsal so all will be covered in two weeks. Attendance at several of the sessions will enhance musical confidence.

Ladies are requested to wear white dresses or white blouses and dark skirts. Gentlemen wear white shirts with dark tie and black pants.

A representative of each choral group is requested to complete the registration form **LEGIBLY** with as much information as possible to ensure recognition on the printed program. Choir registration deadline is **JUNE 14, 2011**. Individual singers are welcome but need not register.

Each group planning to arrive by bus must notify the Ocean Grove Camp Meeting office by calling (732) 775-0035 ext. 108 so parking can be arranged.

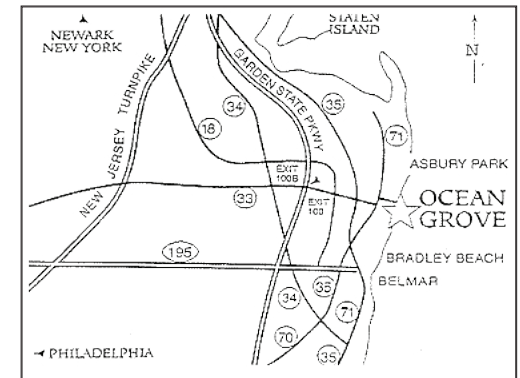

To avoid traffic congestion in the shore area, if approaching Ocean Grove from the south take the Garden State Parkway North to Exit 100 and Rt 33 East to the ocean front. From the west on I-195 (becomes Rt 138), use Rt 18 North to Rt 33 East to the ocean front. Turn left and head north on Ocean Avenue. Look for the white pavilion on the boardwalk, then look left to view the Great Auditorium. Although parking may be a problem due to the

size of the choir and popularity of the beach, streets south of Main Avenue and west of Central Avenue often are less congested.

Ocean Grove has many excellent restaurants to choose from. Alternatives are refreshments available at the Auditorium Pavilion. Flyer is enclosed to reserve dinner in the air conditioned Youth Temple.

Where else could you hear such thrilling sounds of a grand choir, instruments and huge pipe organ in a marvelous acoustical environment? Choir directors often tell us of the increased commitment, enthusiasm and desire for musical excellence their choristers derive from this great festival experience.

Reserve the date now and invite your friends to join you in singing music that thrills your soul.
